

\$308,000 For Venice, Madison Resurfacing

State Includes Madison
Ave., Broadway, Work
At Mitchell In '60 List

State highway construction plans for 1960 include allocation of \$308,000 for improvement of Madison avenue in Madison and part of Broadway, in Venice, it was announced today by E. W. Riefler, chief district engineer. Both streets carry Illinois Route Three.

Riefler also said bids will be opened Jan. 15 for the first phase of construction of a mammoth interchange for Interstate Route 270 at Mitchell. It was announced last week that the state has set aside \$270,000 to widen Madison road from Madison avenue to the northern city limits, \$170,000 to widen 20th street between Madison and Broadway, \$100,000 to widen Madison avenue along its entire length in Madison. The city of Madison also will contribute toward the cost of the project, and the amount of the city's participation has not yet been determined, he said.

Plans call for removal of trolley tracks, installation of a raised strip down the center of the street and creation of four traffic lanes and two parking lanes, with present sidewalks narrowed slightly.

\$80,000 For Broadway
The other \$80,000 will be devoted to improvement of Broadway, with \$36,000 being used to acquire the area from the northern city limits to McKinley avenue and \$44,000 from McKinley avenue to Fourth street, Riefler told the Press-Record.

The \$80,000 will augment funds being applied by the city, the engineer said. With Venice already having approved a contract for resurfacing the street car track area and installing a drainage line, the state funds will go for improvement of the traffic lanes on either side of the center project.

Riefler reported that the Jan. 15 bid opening on the Mitchell interchange will be a fairly important one. The \$3,738,000 project will connect the new federal route with the old Route Three and carry it over the Wabash, New York Central and Gulf, Mobile and Ohio railroad tracks.

Expected This Year
Riefler said the local projects listed for 1960 are expected to be carried out during the year, although some details have not yet been worked out with the city governments.

In announcing the year's \$201,400,000 program last week, Gov. Stratton said that it included a large improvement program, allowance must be made for numerous factors affecting the various jobs and making absolute certainty as to the time of execution an impossibility. Temporary Milk Permit Extension For Three Firms

Three St. Louis dairies have failed this far to qualify for 1960 Illinois milk permits, but extensions of their 1959 permits were granted late Thursday afternoon by Dr. L. R. Davenport, chief of the Illinois Public Health Department's Milk Control Division.

Dr. Davenport said extensions were granted to the Adams, Quality and Valley Farm dairies after the three gave assurance that they would raise their standards during the brief "make-up" period granted. It was indicated that they will be permitted to sell milk in Illinois through the early part of this month. A new inspection may take place Wednesday.

The extensions followed refusal to grant 1960 permits after inspections Dec. 15 and 16 showed failures to comply with various standards of the state milk sanitation regulations. In previous years, Illinois accepted St. Louis dairies holding Illinois permits.

Dr. Davenport reported that the dairies had agreed to meet the requirements, they will be barred from selling milk in this state. He described the permit status as a "period of probation."

The official said the dairies admitted failing to observe some of the "good housekeeping" and sanitation practices in the Illinois law, but agreed to correct local violations.

"We told them that in view of their acknowledging the violations and agreeing to correct them, we would hold them to the agreement," he said.

Plans in January to inspect their plants, he related, adding that periodic inspections are to be continued. Instead of the earlier procedure of accepting St. Louis permits.

The Pevely, Aro, Sealtest and Rasko dairies have been granted 1960 permits after agreeing to remedy less serious violations. Dr. Davenport said inspections of the four dairies will be made again this year to determine whether they have made the promised changes.

**Area's Rainfall Last Year
Below Normal, 30.88 Inches**

Last year's rainfall in the Quad-Cities area was six inches below normal with the last half of the year accounting for more than half of the 30.88 inches recorded for the year. Normal rainfall in this area for a year is 36.73 inches.

The December precipitation for the area was 1.27 inches, below the 12-inch recorded in December 1958. However, the state's annual record for 41.11 inches, or four inches above normal.

August was the wettest month last year with 3.92 inches, followed by May with 3.69 inches. The driest month was June with only .72-inch of rain. Second driest was April with 1.33 inch.

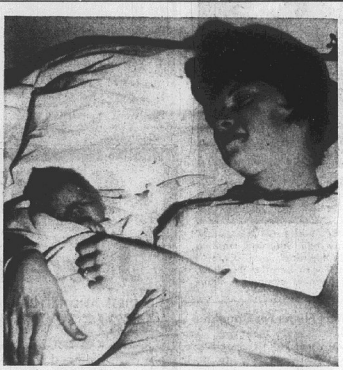

Heavy rain for the year was 2.55 inches recorded on the morning of Nov. 4. The rain gauge, maintained by the U. S. Army Corps of Engineers at the

The 193 auto accidents occurring here during December set a new one-month record, exceeding the previous year's 183 reached in December 1955. In 1959, the community averaged nearly six and a half a day for the month.

In addition to the monthly collision record, injuries for the year shattered all previous highs, with 747 deaths. The worst previous year was 1955, when 688 persons were hurt in auto mishaps.

The year's fatality toll was 24, an average of two each day. Last year's toll was 23, exceeding the previous year's total of 23 killed on area streets and roads, and equaled the 1953 monthly record, and the 88 persons hurt during December represented one of the largest in the state.

Holiday Crashes Injure 9 Persons

16 Traffic Mishaps
Occur In Area During
New Year's Weekend

The holiday weekend traffic toll dropped Saturday and Sunday, but the Quad-City toll including New Year's Eve and New Year's Day is 16 collisions, with nine persons injured.

Five mishaps with no injuries were tabulated for 1959 during Thursday evening prior to midnight, and the other 11 crashes occurred on Friday and the succeeding days. Five persons were hurt in one of the New Year's collisions.

Three persons were injured in a three-car collision at the White Swan night club on Illinois street at 3 a.m. Friday. Sheriff's deputies reported.

Those treated at St. Elizabeth Hospital were Richard Miller, 2812 Duquesne, who sustained a head, abrasions and possible fracture of lower left arm; and a 16-year-old boy, John Boyer, 20, of 1536 Johnson road, who sustained a possible fracture of the spine and abrasions to head and nose; Albert Kutner, 35, of 2909 Fourth street, who sustained a possible fracture of the lower left leg; Kutner's wife, Wanda, 31, injury to left knee; and a possible back injury. Judith Miller, 19, of 2102 Benton street, laceration to the scalp.

Deputies said Kutner's car was turning into the White Swan parking lot when it was struck in the rear by Richard Miller's westbound auto. Both then hit the parked car of Gilbert E. Richter, 2201 Miracle avenue. Ambulances were dispatched to the scene to take the injured to the hospital.

Boyer was riding with Judith Miller and her husband, Harold, who was taken into custody. Harold and Richard Miller are brothers but the cars had not been together.

Motorist Arrested
A charge of careless driving was placed against Robert Niemeyer, 33, of 1709 Spring avenue, who was taken into custody by Granite City police at St. Elizabeth Hospital about 5:30 a.m. Friday following an accident in the 2300 block of Adams street in which a parked car was struck.

Police said Niemeyer was traveling south on Adams street and hit the rear of a parked auto belonging to C. H. Meyer, 51, of 2207 Cleveland blvd. Niemeyer was charged with careless driving, six stitches to close his forehead and a \$100 fine. Driver's license as bond and he is to appear for a hearing Jan. 9.

Orville Avenue Crash
David H. Fulk sustained a bump on the head at 12:30 p.m. Friday when auto driven by Charles E. Fulk, 2175 Orville avenue, and Gary L. Hake, 24, of 2722 Myrtle avenue collided in front of 2175 Orville. The sheriff's office reported. There was damage to the left side of Titusworth's car and the front of the other auto.

Vincent J. Baczewski, 30, of 81 Greenwood street, Madison, sustained bruise at 8:17 p.m.

\$126, Gun, Whisky Taken In Burglary At GC Tavern

Cash amounting to \$126, a nickel-plated .32-caliber revolver and nine bottles of whisky were stolen in a burglary at the West Side tavern, 20th street and Missouri avenue, it was reported to Granite City police this morning.

The burglar made an unsuccessful attempt to pry the screen off a front window before pulling loose a piece of tin on the front door and gaining entrance.

Of the \$126 cash, between \$35 and \$40 was missing. The burglar operated music box. All of the money, with the exception of \$48 stolen from a cigar box, was coins taken from two cash registers.

Police said they will submit information on both cases to the state's attorney office, with a possible back injury. Judith Miller, 19, of 2102 Benton street, laceration to the scalp.

Deputies said Kutner's car was turning into the White Swan parking lot when it was struck in the rear by Richard Miller's westbound auto. Both then hit the parked car of Gilbert E. Richter, 2201 Miracle avenue. Ambulances were dispatched to the scene to take the injured to the hospital.

Boyer was riding with Judith Miller and her husband, Harold, who was taken into custody. Harold and Richard Miller are brothers but the cars had not been together.

Tools Stolen
Tools valued at \$75 and a large green tool box were stolen Thursday evening from a Sunday school building on S. 10th street. (Continued on Page 12, Col. 5)

**Wrecked Auto Found
After Bridge Crash**
A wrecked auto found on the county road in Venice at 6:40 a.m. Friday is believed to have been the one involved in a collision on the McKinley Bridge four hours earlier, police reported. Identity of the owner is being sought, and the car is being held.

Both sides in the crash were traveling east. There was damage to the rear bumper and trunk lid of the car of John E. Hake, 24, St. Louis, and the front of the other auto.

The motorist sustained and gave his license number but left when Hake said he was planning to contact police.

Two Stickups At Quad-City Area Taverns

\$150 Taken In New
Year's Day Robbery
In GC; \$90 In Madison

Granite City's first of the New Year was a \$150 stickup, staged by two armed and masked men at Murphy's tavern, 27th street and Washington avenue, about 1:10 a.m. Friday.

The bandits, who forced men in the tavern to stretch out on the floor, but politely permitted the women to remain standing, grabbed the money from the cash register and ran out on the floor, fleeing south on Washington avenue in a 1959 blue automobile.

The stickup came as a blow to Granite City police who had worked diligently in the pre-holiday season with special patrols and extra duty to successfully prevent the robberies which were prevalent in other nearby communities.

No View Through Window
One high ranking officer bemoaned the fact that even if a patrol car had gone by the tavern while the stickup was in progress, they would not have seen the robbery, since the front windows are painted to obscure a view from the street.

The stickup was fast and took only a few minutes.

Two men, flourishing pistols, entered the front door, announcing, "This is a holdup."

Police said both men were wearing stocking masks, and while one stood guard, the other took the money, between \$150 and \$200, from the cash register.

After ordering the bartender, John McCord, 1724 Edwards, to open the door, the bandits fled on the floor, the bandits fled to their car outside and sped away. McCord's wife and another woman were the only other patrons in the tavern.

The bandits were described as follows: one was 25 to 30 years old, five foot, 11 inches tall, weighing about 200 pounds and wearing a tan jacket; the other 20 to 28 years old, over six-foot tall, slender build and wearing a light jacket.

\$80 Madison Holdup
An unmasked bandit obtained \$80 in an armed robbery at 12:45 a.m. today at Ernemann's Tavern, 108 State street. An investigation is being conducted by the Madison police department.

The robber ordered one beer and dangled a revolver from his small automatic pistol. From his pocket, police were told, he ordered the only other occupants of the tavern, Mrs. Ernemann, Delaney and a man customer, to lie down on the floor of the bar.

The man took \$4 from the customer's wallet after ordering a beer and threw it from his hand. The man took the other \$86 from the cash register, a cabinet at the bar, and fled.

Mental Health Clinic To Open Here On Friday

The Quad-City area's mental health clinic will begin functioning Saturday when Dr. James R. Hart, M.D., psychiatrist for the St. Clair Mental Health center, will be in the office from 9:30 a.m. until noon. Regular hours for the clinic operations are to be determined in the future.

The clinic, located at 12434 Nidringhaus avenue, will officially open from 9:30 a.m. to 4 p.m. on Friday when appointments may be made by telephoning TR 7-4420. The secretary from the Madison County Mental Health Society headquarters, located at 12434 Nidringhaus avenue, will be on duty. The clinic is a part of the old bank building at Nidringhaus and Madison avenues and is completely furnished through the cooperation of local unions, and final preparations are being carried out this week by local members of the Madison County Mental Health Society.

Salvation Army Reassigns Horns

The Midlands Division of the Salvation Army announced today the transfer of Capt. and Mrs. Dale Horn, post officers here, since August 1957, to the Salvation Army post in Wellston, Mo., effective Jan. 24.

Reason for the transfer to one of the largest of the St. Louis corps headquarters was given as the retirement of the officer presently in charge there due to ill health. The Horns' replacement here will be Capt. Mildred Walker of Chillicothe, Mo.

The Horns, including a two-year-old son, Jeffery, and one-year-old daughter, Susan, will reside in Normandy, Mo. Their new headquarters will be at the Wellston Tabernacle, 6203 Cote Brilliante avenue.

Capt. Horn said Jan. 24 will be the final Sunday he will be in charge at the local post, 1421 Nineteenth street. He expressed regret at leaving Granite City and appreciation "to all who have made our stay here a pleasant one."

While in charge of the post here, Capt. Horn conducted two "Tree of Lights" fund campaigns which exceeded their established goals, with the 1959 campaign just concluded the only one which did not meet or top the quota. He also was instrumental in expanding the Salvation Army's program for youth during his tenure.

Capt. Walker is expected to arrive here the last week in January. She has been in charge of work at Chillicothe for the past three years, during which a new building was constructed there.

Petitions Circulated For Mudge, Chapman

Two more Madison county officials with four-year terms expiring this year have been circulating petitions for re-election. It was reported late last week at Edwardsville, where they are State's Attorney Dick H. Mudge Jr. of Edwardsville and Recorder of Deeds James Chapman of Collinsville.

Two other incumbents, County Auditor John Kravack of Madison and Coroner W. W. Billings of Alton, have made formal announcements that they are seeking re-election. All four are Democrats.

Stop Sign Charge

Albie Mincher, St. Louis county, was arrested by Venice police Saturday for passing a stop sign at Broadway and Fourth street. He was released on bond until a hearing tonight.

March of Dimes Drive Begins Here Saturday

The 1960 March of Dimes fund campaign was opened with a brief ceremony Saturday morning on the steps of the city hall here, as a proclamation naming January "March of Dimes Month" by the local mayors was read by "town crier" Jerry Hamlett.

Taking part in the ceremony were Granite City Mayor Leonard Davis, Mayor of St. Louis, Miss Jo Ann Buckek of Madison and Miss Sandra Ohlendorf of Venice.

Campaign officials called attention to the drive kickoff with a motorcade which began at the Venice city hall at 10 a.m., passed through Madison and arrived in Granite City at 11 a.m. The motorcade was headed by a float bearing Miss Blaylock, the March of Dimes queen, and her attendants.

Events scheduled this month to call attention to the campaign and seek funds for the drive include national TAP (Teen Age Program) Day on Saturday, Jan. 9, during which TAP members in the Tri-Cities will offer for sale a March of Dimes record and make road blockades, a TAP variety and talent show at 11 a.m. Jan. 16 at the new fire station, the sale of rainbow cruises by the Moose Club on Jan. 15 and 16, and a "Mothers' March" on polo at 6 p.m. Jan. 28.

Alien Registration Blanks At Post Offices

Aliens, most of whom are required to register with the Naturalization and Immigration Service during January, may obtain the necessary forms at post offices in Granite City, Madison and Venice during regular post office hours.

The forms should be completed and returned to the post office as soon as possible. Only registered diplomats, members of some foreign delegations and agricultural laborers in this country temporarily are exempt from reporting their addresses during January, the INS office said.

90-Day Jail Term On Check Charge

Arrested by Madison police Thursday, Chester Leo Hogan, 37, South San Gabriel, Calif., was booked for making a check to defraud here July 8. He pleaded guilty Saturday and was sentenced to a 90-day jail term by Justice of the Peace Louis Klammer, being taken that day to the county jail in Edwardsville. Hogan was charged with passing a bad check for \$30 at the Madison Bargain Store, 308 Madison avenue, in July. His arrest on New Year's Eve occurred while he was in this area visiting relatives, including a brother in St. Louis, police said.

when buying is also building

Do you ever drive long distances to a BIG CITY to shop for "bargains"?

If so, you're beating yourself for nothing, because the biggest bargains can be had right here from your local merchants.

Here's why: Every dollar you spend in our town does double duty . . . gives you a bonus purchase. For it makes you a partner of our hometown merchants in building a better community for you and your family to live in.

The educational, recreational and health facilities we need for better living come mostly from the taxes paid by local businessmen. The more business they do, the more taxes they pay; the more taxes they pay, the more of the good things of life will be ours.

So doesn't it make sense to keep your shopping dollars at home, especially when the quality, style, selection and price of the merchandise offered are just as favorable?

Granite City Press-Record

Quad-City store services are for you. If you have any suggestions on how these services can be improved, please call the offices of the Associated Retailers, TR. 6-4424.

Fire Destroys Race Street Home

Fire destroyed a one-story frame residence on Race street, between Kohl street, between the Laclede Steel Co. and Eagle Park Acres, at 10:40 p.m. Thursday.

Owned by the Telfor family, the house was nearly consumed by the flames when Madison firemen arrived. The family was away from home at the time, and the origin of the blaze was not determined. It appeared to have started near the rear of the old structure.

No estimate of the damage was made by the fire department. The building was located outside the city limits.

Miss Naomi Sue Rice And Harlan L. Dickey Are Wed

The wedding of Miss Naomi Sue Rice, a daughter of Mr. and Mrs. James O. Rice, 864 Margaret avenue, and Harlan L. Dickey, whose parents are Rose and Mrs. H. E. Dickey, 1661 Fifth street, Madison, took place Saturday evening at First Baptist Church, 21st street and Delmar avenue.

The ceremony was performed at 7:30 by Rev. George Sagen, pastor, assisted by the bridegroom's father, who is pastor of the Madison Methodist Church. Bouquets of white flowers and greenery decorated the altar.

Lighted with burning candles in candelabra and candles illuminated the main aisle of the church. Preceding the arrival of the wedding party, Mrs. Robert Andree of St. Louis, sang "Because" and the Lord's Prayer, accompanied by Mrs. Frances Balding, organist, who played the traditional wedding marches.

Mrs. Rice gave her daughter in marriage. She wore a gown of white satin designed with a full skirt, long sleeves coming to points at the hands, and a scalloped neckline outlined with sequins and pearls. A panel of lace trimmed the front of the gown. The bride's chapel-length veil, edged with pearls and sequins, was held in place with a jeweled crown and she carried a bouquet of white roses centered with an orchid.

Attendants were Miss Sandra

Wilkins, maid of honor, and Misses Lillie Dickey, a sister of the bridegroom, Patricia Poole and Lorraine Thomas, bridesmaids. The honor maid wore green and the bridesmaids were in red satin. All wore white fur headpieces and carried matching muffs to which were attached red carnations.

A little flower girl, Rebecca Ann Gras, the bride's cousin, wore a frock of white embroidered organza and a red satin sash tied in a bow in the back. She too carried a white muf and red flowers.

Lee Dickey, a nephew of the bridegroom, carried the rings on a satin pillow.

Ernest Dickey was best man for his brother, and Tom Woods, Bill Kendall, Robert Blanton, Joe Larsen and Charles Ready served as groomsmen and ushers.

For her daughter's wedding, Mrs. Rice wore a rose beige lace dress and maroon accessories, while Mrs. Dickey appeared in white. Both wore orchid corsages. The newlyweds will reside at 3304 Wilshire drive. The bridegroom, a graduate of the Noble, Ill., high school, is employed by McDonnell Aircraft Corp., St. Louis. Mrs. Dickey, a 1959 graduate of the Granite City high school, is employed in the Madison office of the Laclede Steel Co.

GCHS Wrestlers Have Won Five Of Every Six Meets In 27-Year Span

Granite City wrestlers, currently in another successful season, have won 247 of 292 dual meets since the school took the sport in 1933. This record includes five wins and one loss this season.

That first team, incidentally, had the lowest win-loss record. Coach Bob English led his inexperienced matmen to a "lowly" 6-5 record.

Things picked up the next year with a 7-4 mark, and the Warriors were on their way to making wrestling history. In 1934, Granite City won 14 sectional championships and five conference championships, and had three long dual-match winning streaks, 49, 38 and 27.

Although Granite City was rated a tough team in downstate Illinois prior to 1941, it was in this year that the Warriors finally came through with an undefeated dual meet record and tied for fourth in the state.

From that year until the off-year of 1949-50, Granite City won 45 dual meets and lost none, finishing seventh and ninth in the state in two of the years.

Since 1950's "disastrous" year, when Granite City lost 114 wins against only eight defeats in dual competition.

Probably Granite City's greatest year came in 1957, when the wrestlers finished second in the state against 105 participating schools. Only Frodo, coached by Bill Schmitt, finished higher than Granite City's grapplers, 52-41 in team points.

The only dual meet losses of that year were to Waukegan and Evanston on the road, both squads being topped in the state finals by the local team.

Over the years, only one local team gave the Warriors any trouble and none in the past 15 years, but Granite City has had much trouble against Chicago-area grapplers, notably Waukegan and Evanston.

In the early years of the sport at Granite City, East St. Louis was the Warriors' chief threat and rival. But during the war years, the Flyers dominated wrestling and only resumed competition this year. Only time will tell whether East St. Louis can regain its position as a powerful rival.

The Warriors have had six state individual championships. Bob Beyer in 1938, Bill Mervin in 1940, Charles Mehan in 1945 and 1946 and George Nemeth in 1937 and 1938.

Those who were state runners-up while wrestling for Granite City were Leon Mullins (1937), Jack Fricke (1938), Mike Starn (1940), Wayne Ziegler (1941), Tom Consiglio (1943), Carl Jensen (1946), and Bill Ritchie (1945-46). Tom Caradonna (1947), Paul Schuler (1948), Jim Bledsoe (1956) and Pat Cline (1957-58).

Four former wrestlers are now the coaches. They are Joe Pedora (1949), assistant at Granite City; Jake Durham (1946), at Norton; Tony Carmody (1948), at Jacksonville; and Harold Henson (1947), at Mt. Prospect.

Possibly one of the greatest individual stars in one season was George Nemeth, who won the 56-pound class in 1937-38. He was undefeated in dual meets and finished first in the state championship in that class by topping Chicago's Tilden's 19-12 in team points.

There were two seasons in which the squad finished with the most wins and the fewest losses. Of these, the 1948-49 and 1950-51 seasons were among the most successful dual campaigns at the school.

Lincoln Rams Play At Home Friday After 6 Road Games

After a weary trail of playing road basketball games, Venice Lincoln will open its home season this Friday against the powerful Mounts Douglas team. It will be the first home game for Coach Stan Lynch's Rams after six straight road games.

Lincoln will play the last of these away games, at least for a while, when it travels to Kinloch, Mo., for a game tomorrow night. One optimistic note for Lincoln fans is the fact that the Rams will play seven of their last nine games in friendly confines.

On Saturday, the Hubtowners will make their second journey to Quincy within a month to engage the 2-7 CFC (conference) Notre Dame aggregation of that city. CFC scouts got a good look at the Rams in the process of winning the Chicago Fulle League Tournament. The Rams opened the season with a 78-63 victory over St. Paul of Highland just prior to the Summer loss, 77-74. Then Lincoln ran over another Lincoln, of East St. Louis, 74-51, after racing to a 19-3 lead in the first six minutes.

Following this win, the Rams wallowed. Finch City Lovejoy, 95-70 and Mound City pre-bell-day action with a close win over St. Louis Vashon, 67-61.

The Rams will play in their only regular season tournament when they travel to the New Baden Invitational Jan. 11 through 16.

GC Birdwatcher Also Has Redbirds In Yard

A local birdwatcher, L. H. Rainwater, 2133 Delvey avenue, added another chapter to Mrs. Iva Basden's report of last week that he had seen two redbirds in the rear yard at her home, 6115 Washington avenue, Venice. Rainwater, a retired employee of General Steel Castings Corp., told the Press-Record on Saturday that a pair of redbirds had spent the past three winters in the garage and his main nest in the nearby old storage shed. He said the pair's brood flew off about a year ago.

Rainwater said he has been studying birdlife and is told it is unusual for redbirds to nest inside a building, such as a garage. "I feed the birds every day and have quite a number of them come to the house. My only problem is keeping cats away from the birds," he said.

Albert Hicks, 4080 Central, entered Barnes Hospital Thursday to undergo treatment and possible surgery.

Headlight Charge
A charge of operating a car with an improper headlight was filed against Edward J. Bader, 17, of 2704 Myrtle avenue, who was arrested Thursday night at a residence on Madison avenue by Granite City police. He posted his driver's license as bond.

Granite City Will Try To A Streak Against Jerseyville Panthers

With Granite City's seven-game winning streak halted by top ranked Pinkneville last Wednesday night in the finals of the Central holiday tourney, Coach Andy Sullivan's Warriors will try to get off on another winning run when they play host to Jerseyville tomorrow night.

Sullivan's early-season prediction of a winning year seems assured of coming true, since all the team needs to do is win five of their remaining 13 regularly scheduled contests to turn the trick. Winning those five games, and losing all the others, including the first game of the Dujo tournament and regional elimination, would leave Granite City with a 14-12 slate.

Old Milwaukee Adds Full Game To SIBPA Bowling Loop Lead

Old Milwaukee of Granite City added another full game to its lead in the Southern Illinois Bowling Proprietors Association league Saturday night at the Midway Bowl in Belleville by defeating second-place Carling Slugs of that city, 2-1.

Said Jim Venable, 653 series, the Bowland keepers to select 3005 pins and moved in the Midway Bowl. The Old Milwaukee has won 34 and dropped 17 in league competition. The team's record in the Alton Fallsports took-over place from the Bunch Bunch, winning three straight games, and now are only two games behind the Stars.

In other action, Bowl Inn of Springfield, Mo., defeated the Sports Bowl 2-1, and the first game of the season was the first of the Stars-Brunswick Bowl. The Stars-Brunswick Bowl, topped Lewis and Clark Motor Lodge of Wood River, 2-1.

Old Milwaukee scoring: Venable 655, George Wolfe 628, Mike Legate 609, Nick Lombardi 608, Jim Berry 565.

New Year's Eve Party By Bowline Boat Club

An annual watch party was held New Year's Eve at the Bowline Boat Club. An orchestra furnished music for dancing, and noisemakers and assorted hats were distributed.

Those present were Mr. and Mrs. Lester Martin, Mr. and Mrs. Howard Kamm, Mr. and Mrs. William Patterson, Mrs. Elmore, Mr. and Mrs. Webb Spaulding, Mr. and Mrs. King, Mr. and Mrs. Robert Young, Mr. and Mrs. Northcott, Mr. and Mrs. Ray Simmons, Mr. and Mrs. Harold Barnett, Mr. and Mrs. William Seebold, Mr. and Mrs. John Estes, Mr. and Mrs. Harvey Bloodworth, Mr. and Mrs. Truman Coggins, Mr. and Mrs. Louis Rushing, Mr. and Mrs. Cary Durant and daughter, Mr. and Mrs. Elmer, Mr. and Mrs. Webb Spaulding, Mr. and Mrs. Curtis Pligins, Mrs. Gale McFarland, Mr. and Mrs. Kelly McCowan, Mr. and Mrs. Carl Gates, Mr. and Mrs. Harvey Weaver, Mr. and Mrs. Orin Rodgers, Mr. and Mrs. Wade Jones, Billy Seebold, Miss Beverly Harris, Jack McWhorter and Miss Dorothy Brokaw.

Dog Strayed Or Stolen

Granite City police were notified New Year's Eve that an 11-year-old female dog belonging to Mr. and Mrs. Boda M. Mitchell, 2620 Madison avenue, had either strayed or been stolen from their yard. Named "Coco," the dog is part terrier with a black and white coat. A reward for information leading to the return of the dog is being offered by the family.

Hits Car Parked On Main

A white 1959 convertible auto left the scene heading north after sideswiping the parked car of Paul Ziegler, 25, of 121 Hampton street, Venice, in front of Main street at 3:30 a.m. Friday. The right headlight, bumper and right door of the parked vehicle were damaged.

7-Game Streak Halts

Granite City Will Try To A Streak Against Jerseyville Panthers

On the positive side, the Warriors have an excellent chance of gaining the elite circle of basketball teams—the 20-game winners. With a break or two in the remaining tournaments, plus continued fine play that has marked the Warriors since the disastrous Collinsville game, the 20-game mark could become a reality.

The big weekend for Granite City will be Jan. 22-23 when the Warriors play host to the two Southwest Conference powerhouses, Collinsville and Alton, on respective nights. If Granite City wins one or both of these games, the Warriors not only would be in excellent shape for a 20-game season but also would be in contention for championship contention as well.

But Belleville, only a two-point loss to Granite City earlier this season, has been coming fast. Judging from the Maroons' performance in the Centra tournament, and also could give the conference leaders some trouble.

Mirror, Windows Broken During Fight At Tavern

A fight at 11:30 p.m. Thursday caused extensive damage at Chuck's tavern, 1201 Madison avenue, Madison. Police are investigating and said arrests are expected to be made.

Participants in the fight were three men customers and two bartenders. A beer glass was thrown at a mirror behind the bar, breaking it, and the door glass and several large plate glass windows also were broken. One of the three customers is believed to have suffered from several beers and was ordered to leave by the tavern proprietor, police learned.

Speeding Arrest

Venice police arrested James E. Johnson, 20, East St. Louis at 8:35 p.m. Thursday for speeding 50 miles an hour along South Fourth street. He posted his driver's license and was released until a hearing this evening.

Venice, Hanging Close In MBC Race, Looks For 2nd Win Over Livingston

Venice's Red Devils, who began December with a 67-51 win over Livingston, will usher in the new year tomorrow night against the same squad in Venice. Zahn Wells' crew will be searching for its ninth victory in 10 starts this season, five of those having come in the Madison-Bond-Clinton Counties Conference.

Other conference action is scheduled between Bunker Hill and Triad at the latter school's new gymnasium outside St. Joseph, and at Worden, where the host team plays Alton.

Triad, 6-1 in MBC action, should not have too much trouble with last-place Bunker Hill, having beaten that school by 35 points in an earlier meeting, but a Venice victory and an upset at Triad could boost the Red Devils into first place.

Half-Game Out
Venice's pace at 5-1, and is the only team in the loop to have beaten Triad. The Devils did it decisively in their last appearance, 79-62. Unfortunately, they were not "up" in the state against St. Paul of Highland, or they could have won the undefeated state title in the MBC.

With his charges having had little trouble with Livingston and the Eagles' high-scoring center Jim Augustine in their last meeting, Wells will be working to prevent overconfidence from creeping in at a time when lethargy could be a lot to depend on for a conference title in Venice.

Working on the premise that the best offense is a good defense, the Devils held Augustine, who came into the game averaging 17 points a contest, to just three, his lowest total in any game this season.

More Activities Scheduled In YMCA Teen Age Department

Courses in senior lifesaving and weightlifting, plus a table tennis tournament, have been added to the list of activities scheduled at the local YMCA in January. Rich Hughes, assistant Teen Town director, said today.

The senior lifesaving class will begin Monday, Jan. 11, and will be conducted each Monday between 8:30 and 9:30 p.m. Applicants should be members of the Teen Age department, know how to swim and be at least 16 years of age. The class is limited to 10 students, and registration closes tomorrow, Jan. 5.

Hughes said a weightlifting class is set to begin on Jan. 12 if enough interest is shown among members of the Teen Age department. The registration deadline also is tomorrow.

A table tennis tournament for boys and girls in the 11 and 12 age groups will begin on Jan. 12. Registration may be made by contacting Hughes or Miss Pat Mega at the YMCA, TR-67200.

Ship For President

Marine Cpl. Gilbert L. Blevins, son of Mr. and Mrs. Ray Blevins of 4248 Division street, serving with Marine Attack Squadron 225, aboard the attack aircraft carrier USS Essex, witnessed the 95,000th arrested aircraft landing last month, while the carrier, accompanying the heavy cruiser USS Des Moines with President Eisenhower and his party aboard, was enroute to Tunis.

The Essex's total landings to date fall a little short of the Navy's all-time record by the old aircraft carrier USS Saratoga, with 97,549 landings made before 1948 when she was sunk by the U. S. in Alamb tests held at Bikini.

After the Essex returns to the states early in 1960, she will be converted to an anti-submarine aircraft carrier.

Miss Barbara Ann Goedecke, a daughter of Mr. and Mrs. Vernon L. Goedecke, 25 Twin Springs lane, Ladue, and Rev. William F. Nisi, 2639 Madison avenue, son of Rev. and Mrs. Frederick J. Nisi of Warsaw, Ill., and associate minister at St. John United Church of Christ on Nameoki road, were married Saturday evening at Rev. Dr. Elmer Hofer and the bridegroom's father officiating.

Woodwardia fern and white roses decorated the altar which was illuminated with burning candles in candelabra at either side. Hurricane lamps lighted the aisle through which the wedding procession passed.

Given in marriage by her father, the bride wore a gown of white tulle and a fitted basque bodice and a very beautiful skirt which terminated in a full length train. The oval neckline was accented with a row of pearls. The bride's hair was styled in a modern fashion. She carried a bouquet of white roses.

Miss Susan Elizabeth Goedecke, a sister of the bride, was a bridesmaid. The bridegroom's bridesmaids were Miss Mary Sue Owen of Webster Groves, Kathleen, a sister of the bridegroom, and Miss Mary Sue Owen of Webster Groves, Kathleen, a sister of the bridegroom, and Miss Mary Sue Owen of Webster Groves, Kathleen, a sister of the bridegroom.

24-HOUR TOWING. ASK FOR ANDY & JOE'S BODY SHOP WRECKERS, TR 7-1063.

FLASCO (457-947 B.C.) said: "IGNORANCE IS THE ROOT OF MISFORTUNE!"

Your body is a machine with complicated parts. A physician has to devote years of study to learn how to keep it functioning properly. It is important that medicines be safely potent. That is why pharmacists are now required to attend college of pharmacy for five years, before being licensed to practice pharmacy.

To obtain medicines from people ignorant of this necessary knowledge can lead to misfortune. You are safer when you consult a physician for guidance and secure all medicines and health-aids from a pharmacy.

Michael Zikovich To Appear In St. Louis

Mr. and Mrs. Mike Zikovich received word last week from their son, Michael, accomplished accordionist, that he will be appearing in St. Louis this coming weekend with a nationally-known polka band.

The 18-year-old youth, a recent graduate of Assumption high school, East St. Louis, plans to continue touring with the band of Frankie Yankovic until next September when he plans to enroll at Detroit University under a musical scholarship.

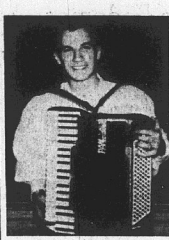

The band is now completing an appearance tour of the west and will appear at a St. Louis ballroom for three days, Friday, Saturday and Sunday.

Mr. and Mrs. Zikovich, who live at 2541 East 25th street, said they have received a number of inquiries as to when their son would be appearing in this area. He has been with the band since graduating from school earlier this year.

Driver Arrested After Crash On Route Three

Lowell Meador, 33, of 1008 Bremen avenue was arrested for failing to yield the right-of-way in a collision on Illinois Route Three at Spring avenue at 2:06 p.m. Saturday. He posted his driver's license and was released until a hearing tomorrow.

Meador had been driving west on Spring and William C. Pyrite, 60, of 4765 Warnock avenue had been going south on Route Three. The right front of the Meador car and the left side of the other auto were damaged.

MICHAEL ZIKOVICH, 18, local youth, who will appear with a nationally-known polka band in St. Louis this coming weekend.

Vandals Damage Auto Of GC Alderman

A 1957 station wagon belonging to a Granite City alderman was damaged by vandals Thursday night.

Roger Basarich, 1720 Poplar street, reported to police the car, belonging to Alderman Steve Basarich, was parked at 1801 Spruce street when vandals ripped off a rearview mirror, a spinner type hubcap off the right front wheel and a pair of decorative dice which was hanging from the rearview mirror inside the car.

Man Reports Topcoat And Glasses Missing

Donald Blattner, 1608 Seventh street, reported to county police that he had a grey and black tweed top coat stolen from Bowling Alley at 2 a.m. Saturday.

Miss Marilyn Champion, friend of Blattner's, told the Press-Record that the coat contained a pair of eye-glasses in a brown case and also a bank check book.

Arrest Follows Two-Car Collision In Madison

A collision at Tenth street and Washington avenue, Madison, at 8:10 p.m. Thursday resulted in damage to the right front of the eastbound auto of Eugene R. Forys, 23, of 2600 Lincoln avenue, and the left side of the northbound car of Dolph G. Myers, 22, of 1911 Benton street.

Myers was arrested for passing a stop sign at Tenth street by Madison police. Two of the three Forys children in their father's car, Patrick, five, and Timothy, three, were taken to St. Elizabeth Hospital and released after examination.

Auditor Urging Investment Of County's Idle Funds

Investment of idle funds to produce additional revenue for operation of the Madison county government is being strongly urged by County Auditor John L. Kraynak, it was announced today.

Citing a \$321,461 balance in the general revenue fund, Kraynak said in a monthly financial report that "our cash position is quite sound and should remain so for the next five months. Then we should realize the county collector's final tax settlements." "It is my contention that we can invest some of these idle funds. At least \$100,000 can be used to purchase treasury notes for a 60-day period, or some other sound securities for a similar period. We are losing additional revenue here, and I strongly urge that investments be made at this time."

Kraynak also called attention to such balances as \$231,896 in the county bridge fund and \$19,549 in the dog licenses fund.

"County bridge shows a substantial amount of idle funds. Again, it is my contention that a portion of this should be invested and reap additional revenue for this fund. As pointed out before, this fund and the county general revenue fund show substantial balances which are not immediately needed. Therefore, we should avail ourselves of extra revenue by an investment program."

Balance Up Sharply

The auditor's report shows that the general revenue fund balance after the first third of the fiscal year (Aug. 1-Nov. 30) was up sharply over the \$211,598 balance at a similar time a year ago. The difference of \$109,863 represents an increase of 52%.

The increase from \$130,948 at the start of the fiscal year to \$321,461 resulted from an excess of receipts over disbursements. Income amounted \$497,145 and expenditures totaled \$396,332. Kraynak noted that receipts from county nursing home patients have been lagging but that additional payments are expected soon, including one debt of long duration.

A report on special tax funds showed that spending for veterans' assistance, civil defense, tuberculosis sanatorium, assessment maps and plat maps and county bridges is well below the 33% estimated as necessary for the first third of the year.

In the county highway fund, \$151,397, or 42% of the \$362,000 appropriation has been spent, but this is due to seasonal projects, Kraynak said.

ON YOUTH ACTIVITIES

Mrs. Howard K. Parker of the Illinois Youth Commission has announced a second meeting on planning youth activities in the West Granite area. It will be held at 7:30 p.m. Tuesday at Logan grade school.

Guest speaker at the meeting will be Emile Buchmann, a district supervisor of the state commission.

FUNERAL OF BROTHER

Services were held at a Greenville, Ill., funeral home Saturday afternoon for Oscar E. Ficker, 61, Smithboro, brother of Clarence Ficker, 2607 Cayuga street, and uncle of Mrs. Ethel Smith, 2404 Illinois avenue.

Ficker, who was active in the Masonic order and the Mississippi Valley Chapter of Scottish Rite, passed away Dec. 29 at the Veterans Hospital, Marion, Ill.

Other survivors include his wife and a son, Edward Ficker.

NEW YEAR'S SERVICES

About 75 members of the Second Baptist Church took part in watch night services Thursday evening. Plays were presented by Rev. Ralph Craycraft and son, David, Alice Hoffman, Leanne Lupardus and Howard Wigger, and a reading was given by Mrs. Maxine Dacus, who also led games.

Singing was held and Rev. W. L. Showers presented a sermon. Rev. Craycraft offered prayer.

The Athenian class of the young people's department of the Second Baptist Church met at the home of one of the pupils, Danny Snyder, 2038 Bryan avenue, for a business meeting Saturday. The opening prayer was by Roy Ethington. The group discussed a family get-together next Saturday evening at the church.

Plans were made to have a skating party some time in February. Plans also are being made to go on a camping trip during the summer. The group spent the evening playing indoor horseshoes. Refreshments were served and prayer was given by the teacher.

Herbert J. Gillham left Saturday to return to Norfolk, Va., where he is attending a Navy radio school. He had spent a 15-day leave visiting his parents, Mr. and Mrs. Arthur Gillham, 2109 Bryan avenue.

Jerry Phillips of Aubrey avenue held a New Year's Eve watch party in his home Thursday evening. There were holiday decorations, and refreshments were served. Twenty guests enjoyed games and dancing.

Daughter Arrives

Mr. and Mrs. Ronald Branding, 1520 Joy avenue, are announcing the birth of a seven pound, 11 ounce daughter New Year's Day at St. Elizabeth Hospital. They have another daughter, Kathy, two and one-half years old.

'ALL-AMERICAN CHARMER' DOES IT AGAIN
To The Forum:

Sir: Since it mostly takes two weeks before my letters can be published and we like to stay abreast of events, we better keep spreading the ink, but we have our doubts if it will do much good. Let's try anyway.

So he done done it again. Who done done it again and what he done done? Well—of course Granite City's All-American charmer pulled the strings again and had his puppets all dancing in the city council and when the music came to a halt, the two-way traffic he had proposed, were in his bag. You know something? Pretty soon, we believe, we begin to like the guy. At least one has to admire a fellow with such magic power that he has a law making body in the palm of his hand. He is better than Ernie Feldman, who says we and we ain't kiddin' either. We begin to believe to be fighting the wrong guy, and we believe the civic league is fighting the wrong guy. We begin to believe that the constitution of the other Aldermen is at fault more than any other factor. For the sake of argument, I can't blame a power drunk individual for trying to run a government, when all he has to do is to pull the strings and the show begins, ending, with the puppet, tired of being made to dance by the strings, to submit to this powerful magician and vote in favor of his proposals. Now that's bad. This is bad, because it is, or soon will become bad government. It is false power over the people, for the people and by the people. It simply is not. To lead to government by the people, we believe nobody wants this. Now, let's explore once how such a condition can develop. It can develop many ways. Here are a few. Let's discuss them.

First, by an exceptionally smart individual who has very good ideas and due to this is capable to win the confidence of all the other, not so blessed members on this governmental body. We can skip this first example, for we don't think our man in question is so exceptionally smart.

Secondly, by a very eloquent public speaker. We don't think our man has this quality.

Well, then what is it that, or is it, what is giving this man such power? Now we know, or at least black eyes cast a spell or charm over the rest of the city council. As they are not, or are they? Now we know, or thought we knew some of these men as men, but now later we find out they are nice too. Why? Has it something to do with running for county or state office? If it doesn't sound so absurd one could be inclined to think that a man wielding such power could be controlling a blood bank. Could there be such a thing as a political blood bank? We don't think so, or could there be? As we do know that, when the final vote is taken on any bill in the Granite City Council, the All-American City Council, it is, with a few exceptions, a vote for Alderman Nomm. If we interpret the newspaper reports correctly and we think we do. So we think it's time for a change. The Granite City Civic League to direct its fire where it will do more good. To shake the constituency of Granite City out of its complacency, we think for men to represent them, not mice. If there are no men, then let them be women. We believe they wouldn't fall for a charm as easy as the material that is occupying the city council now. There are a few women now, of course that are charmed by their own delusions, but not at election time, but maybe that's what could be called a blood bank, but where the case, we have more confidence in women to erase bad conditions than in men, men are responsible when bad conditions exist, so when they don't know how to get rid of something developed under their ruling periods, let's give the job to the women and watch what they can do and will, make no mistake about that.

By the way, it's time for the entire populace of our beloved country to shake off its complacency and wake up one or two times a year and haven't even a chance to feel sorry for themselves.

AGREES WITH NOMB ON REPAIRS OF CAYUGA ST.
Editor of the Press-Record:

Sir: I have been reading for the last few weeks the arguments, pro and con, in regard to widening and resurfacing Cayuga street and I note that quite a number of people seem to think that just because Cayuga street is on the West side that it should not be improved. To me, it seems to me that attitude, I would like to remind them that each tax dollar that we pay on the West side, has one hundred cents in it. Just the same amount that is in the dollar that is paid elsewhere and we are certainly not have to be an expert to easily see that Cayuga street is in urgent need of repair at once. Fortunately we have not had any sub-zero weather this season. I believe that we have what runs streets that have broken pavement.

I note that Alderman Nomm says that everything he proposes some improvement of the West side, that the constitution of the other Aldermen is at fault more than any other factor. I think that I have a word of comfort for him. I have lived in the Fifth Ward for 36 years and all of the Aldermen ahead of him had the same thing to say. I think that the constitution of the other Aldermen would take all the available money and spend it in self-stocking road, by the Wilson Park Area. One thing I do give credit to Mr. Nomm for is that if he knew that he is not a man to take no for an answer and for that reason he would continue to elect him term after term.

I note that not least if some of the Aldermen that seem to get a pleasure of trying to block every move that Alderman Nomm makes to help the West side if they would devote that time to doing something to help the people in their own ward, then they might be able to hold their Alderman's job into Nomm down term after term.

Yours truly,
2410 W. 20th st.

SUGGESTS USING MFT SURPLUS TO RELIEVE DOWNTOWN CONGESTION

Let's all praise the civic league for trying to save the city's money. It looks as though the Motor Fuel Tax money is burning a hole in the city's pocket and it is a wonder it doesn't.

That money could be used for some important factors. There are other streets that need more work done on them. It is time to spend the Motor Fuel Tax money, why not do something to try and stop the traffic jamming downtown, where traffic is always heavy.

If there's a vote on it, let's vote it down. They are doing a good job trying to keep city employees in the city, but the time keep our present city employees which are much needed.

PEDESTRIANS WILL NEED PROTECTION ON 2-WAY STS.

I read in the paper where they are OK'd to have two way traffic on 19th street and State street.

As it is, it's hard to cross the street downtown now. What's going to be like with two way traffic? It will be hard to cross. Unless something is done to help and protect the pedestrians.

There will be four way stop signs. It will help some, but not all. Why not think of the people trying to cross the street, not the little more effort going around the block a couple of blocks looking for a place to park. It doesn't look as if two-way traffic will cut down the congestion.

Assessors' Vote Leaves Uniformity Burden Squarely On Their Shoulders

Madison county assessors' decisive rejection of two proposals intended to help increase the uniformity of assessments leaves the problem squarely on their shoulders and County Treasurer Dan McGee, who is assessor-supervisor of assessments for the county.

McGee and the assessors' own executive committee recommended employment of professional appraisers to conduct an evaluation of all taxable property as a guide to the assessors. They also recommended creation of a new post of county assessment supervisor. A flurry of last-minute politicking resulted in a 20-to-4 vote against the appraisal plan and a voice vote rejection of the supervisor position.

Even some of the assessors making the proposals switched and voted negatively.

Both decisions would have been advisory, and it would have been up to the county board of supervisors to make either proposal a reality. The rejection makes it unlikely that the county board will enter the picture, and the contacts made just prior to the assessors' meeting hint that some county board members may have indicated that they were opposed.

Cost of the appraisal program was cited in letters sent to the assessors. In addition, there were reports of opposition by some large taxpayers.

Granite City Assessor Van De Cruse says he has not given up and may seek aid from the state. Since the full responsibility for making assessment more uniform rests on McGee and the Board of Review, perhaps a more active role by the treasurer's office, despite budget and manpower limitations, would be a partial answer. The public is eager for a fair system of property tax evaluations.

Airline Fatalities in 1959 Indicate Need For Wider Use of Safety Devices

Air travel is now in its 57th year, dating back exactly 56 years ago as this newspaper. Since the memorable day when the first flying machine soared above wind-sprint sand dunes at Kitty Hawk, N. C., a mammoth industry has developed, employing 1,000,000 people.

In 1959, domestic and international carriers moved 50,000,000 passengers a total of 35,000,000,000 passenger miles. Present intercontinental jetliners fly at an average of 1200 mph. The 1200 flight covered by the Wright brothers' initial 12-second flight. The electronics equipment on a single jet plane weighs more than the Wrights' engine wooden and wire airplane. It is estimated that a single jet plane will fly through space at 100 miles an hour, the elder of the two brothers predicted; today, 400-mile-an-hour glants carry more than 100 persons across the nation in less than five hours.

The year just ended was the eighth in a row in which the fatality rate has run below one death for every 100,000,000 passenger miles. Airlines are beating the record with crisp efficiency, and boast a safety record better than that of highway travel.

But the 0.73 fatality rate in 1959 was the highest since 1952, and the nine fatal airline accidents are the highest total since 1951. The 66 accidents of all types were the most in history for a single year. It was the worst year in commercial aviation history in terms of human lives lost, the nine fatal crashes killing 257 passengers and 37 crew members.

Holding the death rate to less than one for 100,000,000 passenger miles was no small accomplishment, since airlines are flying more people on more trips and in bigger planes than ever before. But improvements and developments in aviation had convinced authorities that each year should show a further reduction in the casualty rate. There was no widespread laydown on safety precautions, and it never will be possible to eliminate such accident causes as pilot error and sudden thunderstorm turbulence. Continued emphasis was placed on thorough maintenance work, pilot training and air traffic control.

Contributing factors to the crashes included inadequate runways, insufficient post-weather approach aids and failure to install known and proven safety devices. While the cost has been a major deterrent to adopt safety equipment at some airports, there is a clear-cut need to provide as much protection as possible for the growing millions of passengers. The 1959 report "slump" shows that this should be given immediate attention by the air travel industry.

Widening, Full Use Of Streets Made Necessary By Growth Of Community

In the planning stages for several years, widening and improvement of sections of Nameoki road and 20th street will become a reality during 1960. The state's road commission, recently, has included work on the one-and-a-quarter-mile stretch of Nameoki road between Madison avenue and the northern city limits and the seven-tenths-mile distance of 20th street between Madison avenue and Edwardsville road.

Combined with future improvement of additional sections of both streets, the widening will do much to ease congestion in the city. The widening will be in the vicinity of the Coolidge junior high school and the shopping areas on both sides of the fishing road intersection.

Full utilization of other local streets also is a possibility worth investigation. In some cases, there is sufficient width for two lanes of traffic headed in the same direction, but when such lanes are not marked many motorists use the entire half of the street, slowing the flow of traffic.

The need for wider streets is a reflection of the immense growth that has taken place here in recent years. Widening and full use of key streets will be essential for this growth to continue unimpeded.

Granite City's "All-America City" Reign Nearly Over

The year 1959 will long be remembered by Granite City residents for an announcement which surprised them on the night of Wednesday, Jan. 21. When the city was named one of 11 in the nation as 1958 "All-America City" by the National Municipal League and Look Magazine.

The presentation so inspired the citizens, for whom the award was presented, that they spent the year in celebrating and also working on civic projects to justify the honor, and they encouraged two area communities, Alton and East St. Louis, to also work for the award. Both cities are finalists and now waiting word of their chances for selection for 1959 awards.

As the award pointed out, it was not given to perfect model city, but to a real-life city with problems that were either solved or started to be solved by intelligent citizen action.

The All-America City selection jury, headed by Dr. J. Edgar H. Gallup, commented, "with labor difficulties solved and the town cleaned up and refurbished, Granite City rated as a good place to work and live."

Citizens Ears Hones

The selection came through citizens successful fights forcing out gamblers, controlling smoke

and soot, building new schools, enlarging hospital facilities and banishing labor discord.

"We don't really have All-America Cities," John Muhlik, chief of the Chicago office of Look commented at the award banquet Feb. 21. "But we do have All-America citizens. The award belongs to the citizens who made it possible."

One of the accomplishments of civic action was the raising of \$650,000 for the new wing on St. Elizabeth Hospital, which had cornerstone laying ceremonies Nov. 14. The drive was launched in 1955 when a citizens advisory committee met to discuss financing the wing. It is to be completed this year.

Another factor, labor harmony, was also carried on for 1959.

preme Radio Co. vehicle while two repairmen, Leland Foster and Bob Watkins, were on service call in the Tri-City Park area, police were notified Saturday afternoon. The vehicle was not immediately discovered.

Items taken included wrenches, screwdrivers, pliers, fuses, lights and punches. Some were owned by the Supreme firm and some by the repairmen.

A 1956 auto reported stolen between 4:15 and 5 p.m. New Year's day from in front of Miss Meyer's tavern, 1369 Edwardville road, was found Saturday afternoon in East St. Louis by police of that city. The theft was reported to Granite City police New Year's day by the owner, Roy Thompson of East St. Louis.

An auto stolen from the 300 block of Weaver street, Venice, between 5:15 and 5 p.m. Saturday was recovered by Everett Bond, 24, Eagle Park Acres, at 9:25 p.m. the same day on Harrison street in Eagle Park Acres.

The left rear fender of the car had been damaged, indicating that the vehicle might have been involved in a collision, Venice police said. The owner is Johnson Smith, 810 West Washington street, West Madison.

A black 1950 sedan owned by Anthony L. Kafoury, St. Louis, was stolen from the parking lot of the Ace of Clubs tavern, 1245 Madison avenue, Madison, some time during the morning of New Year's Day, police were notified.

Sneak Thief Takes \$44

A sneak thief made off with \$44 to \$49 from the wallet of Miss Patricia Mega, Teenage director at the YMCA, who she had left in her office for a few minutes while she went to the front office shortly before noon Thursday.

Miss Mega said she had cashed a check and had placed the currency in her wallet inside her purse, but did not discover the theft until after she had left the YMCA to go to her home, 2646 Lincoln avenue, for lunch. The report was made to police about 2 p.m.

Larry Lane, 1629 Edison avenue, reported to Granite City police last night that hubcaps were stolen off the front wheels of his 1957 auto between 9:30 and 9:30 p.m. when the car was parked in the 2800 block of East 24th street.

A Christmas wreath was stolen off the front porch at the home of Ralph Casabeta, 2225 Edwards street, according to a report received New Year's Eve by Granite City police.

A 50-gallon barrel of fuel oil was stolen from the rear of the home of Lester Vierling, No. 2 Kueberg Park, some time between 7 p.m. Thursday and 7 a.m. Friday, county authorities were notified.

Pole Falls On Foot Of Clifford Lowe

Clifford M. Lowe, 53, of 11114 Madison avenue, was admitted to St. Elizabeth Hospital at 8:45 a.m. today after a pole fell on his foot while he was working for Illinois Power Co.

The accident occurred shortly after he came to work, according to his wife, and he was taken to the hospital emergency room before being admitted. The deep laceration in his foot required 18 sutures to close and he also suffered a possible fracture. X-rays were taken but have not been read.

Coins for the Independent Republic of Vermont were minted by Ruben Harmon from 1785 to 1789.

Splash Guards Required On All Trucks In Ill.

All trucks operating in Illinois, except within the corporate limits of a city, village or incorporated town, are now required to be equipped with either contour or flap type rear splash guards to prevent the splashing of mud or water upon the windshields of other motor vehicles, according to a reminder issued today by the state police.

Chief William H. Morris of the Illinois state highway police said that troopers will issue warnings to drivers of vehicles violating the law for a period of 30 days during January, after which citations will be issued.

Morris said that all official testing stations will require the rear fender splash guard before a vehicle can be licensed. He added that the guards will not be required on vehicles where construction or design of the vehicle does not require them.

Speeding Charge

Fay Newton Burdum, 29, 404 Twenty-eighth street, was arrested at Nameoki road and Washington avenue Thursday night by Granite City police on a charge of speeding. He posted an owner's license as bond.

Park Recreation Programs Resume Here This Week

Granite City park district recreational and athletic activities are being resumed in full force after nearly a two-week layoff during the holiday period. Recreation Director Harold Brown said this morning.

Included in action in all three of the park district's basketball leagues, where the first game of the new year is scheduled to night at 7 in the Senior Teenage league.

Roller skating for youngsters will be resumed Tuesday afternoon at Johnson's Roller Rink, while square dancing for youths will resume Friday evening at the Nidringhaus school.

The boys' basketball programs at the community center, Namsoll and Nidringhaus schools will take up again Saturday morning, Brown added.

Speeding Charge

A speeding charge was filed by Granite City police at 12:30 p.m. Saturday against Sheila Wildermuth, 2800 Fortune drive, who was arrested at East 23rd and Henry streets. She posted her driver's license and was released pending a hearing.

The wheel of fortune always loses its effectiveness when it turns a man's head.

presentation of the award. It was the largest banquet ever to be held in the city.

Granite City's already finished 25th street is almost finished, and an addition to the high school was started. The new 23rd street grade school opened today.

When the Tri-City United Fund went over its \$250,000 goal after only a three-week campaign, the drive leaders enthusiastically proclaimed that the "All-America" spirit boosted the campaign over the top of its goal, even though Granite City was only one of the local cities in the drive. It was the first year the United Fund reached its goal.

Although the residents worked during the year to uphold the right to the award, they also celebrated.

The Saturday after the original luncheon, 204 parade was held, led by the Granite City high school band and Engineer Depot color guard, and marched along State and 19th streets and down Nidringhaus avenue to a large crowd. A 1100 Attend Banquet

A 1100 Attend Banquet was held at the city hall, where the "All-America City" flag was raised. In spite of freezing temperatures, a large crowd witnessed the event. The parade opened a six month period of celebration.

April Church Month

April was declared All-America City Church Month and the city's houses of worship were picked on several Sundays as the residents celebrated in their churches, another point of citation by the jury.

At the All-America Festival of Faith, held at the city hall, where the city school football team and Mr. and Mrs. Charles Martin, parents of three children, were chosen "All-America City Church Family." They attended the Mount Zion General Baptist Church in Alton.

With the All-America Church Family also came awards for the All-America Mother, Father, Boy and Girl.

The first such presentation was awarded May 7 to Mrs. Joseph DeRuntz, 2145 Grand avenue, who is a mother of nine children. Glenn C. Abernethy, father of two, was chosen "All-America City Father" on June 22.

And finally, just before the final big celebration July Fourth, Teresa Kay Griffith, 14, daughter of Mr. and Mrs. Frank Griffith, 2610 Jerden avenue, and David Blackburn, 11, son of Rev. and Mrs. Lamm Blackburn, 4220 Highway 162, were chosen "All-America City Girl and Boy."

Big Parade

Over 1000 people took part in the July Fourth parade with its 52 floats. The two-hour parade was witnessed by an estimated 30,000 on an overcast day. An afternoon shower spoiled many picnic plans but the fireworks at Wilson Park that night went off as scheduled.

Union Starch & Refining Co. and Girl Scouts won prizes for best floats in the parade.

The celebration was formally over but the people of Granite City continued to celebrate in their own ways. With 15,000 "All-America City" auto stickers still in force through the fiscal year ending April 30, 1960, drive will continue to have a reminder of the award, although few people in the community will need the refresher.

NEW YEAR'S EVE PARTY AT ZIMMER HOME
Mr. and Mrs. William Zimmer Jr. entertained with a New Year's Eve party at their home, 3393 Westchester drive, which was decorated for the holiday season.

A large ornamented Christmas tree and arrangements of winter evergreens, tinsel streamers and candles created a festive atmosphere for welcoming the New Year. The evening was spent at games, and a late buffet-supper was served by the hosts.

Among the guests were Mr. and Mrs. Robert Bishop, Mr. and Mrs. Ted Jensen, Mr. and Mrs. Wilbur D. Breese, Mr. and Mrs. William Bader, Mr. and Mrs. Cecil Henshaw and Mrs. Zimmer's parents, Mr. and Mrs. Robert Margeson.

RETURNS TO COLLEGE

Robert Orsey, son of Mr. and Mrs. Andrew Orsey, 3400 Terrace lane, left here Saturday morning for Northwestern University, Evanston, Ill., where he will begin the second quarter of his junior year today. He motored to Evanston with Mr. and Mrs. Ralph Stricker and Miss Kathy Stricker of St. Louis, the latter also a junior at Northwestern University. Both young people are majoring in the field of education. Immediately preceding the holidays, Orsey participated in a nationally televised musical show, "Songs of the Civil War," presented by the Northwestern Men's Glee Club, of which he is a member.

HOLIDAY DINNER

PARTY AT KEY HOME
Mr. and Mrs. Rhodolick Key entertained with a dinner party Saturday evening, honoring Miss Crustus of El Paso, Ill., who was their house guest during the holidays. The party was given in their home, 3412 Nanticoke road, which was decorated in a traditional manner.

Among the guests seated at dinner were Mr. and Mrs. George Chapman, Mr. and Mrs. Freeman Wolfe, Mr. and Mrs. William Herman, Mr. and Mrs. Glen Wolfe, Mr. and Mrs. William Wolfe, Miss Ann Myers, Miss Nancy Herman, Miss Ellen Chapman and the hosts' son, Bob Key.

Miss Crustus left today for Southern Illinois University, Carbondale, where she is a junior, majoring in voice. She was accompanied by Bob Key, who is continuing his studies for a master's degree in music at the university. Key last winter was counselor at Bailey Hall in the Thompson's Point area of the SIU campus.

HOME FROM INDIANA

Mrs. George Nancy and children, Linda and Alan, returned to their home at 3128 Davis avenue on New Year's Day after spending the preceding six days in Dale, Ind. During their holiday visit, they were house guests of Mrs. Nancy's parents, Mr. and Mrs. Revis Phillips, and her brother-in-law and sister, Mr. and Mrs. Herbert Phillips and daughter, Gloria, all of Dale.

Rowley Meadows of Dover

Tenn., who spent the Christmas and New Year holidays as house guest of Mr. and Mrs. Wilford Widows and Miss Carol Widows, 4017 Broadview, arrived Saturday for his home in Dover.

ST. LOUIS CITES DEMAND FOR UNIVERSITY FACILITIES

The demand for university facilities in southwestern Illinois continued to exceed the state's ability to provide them during 1959, a spokesman for Southern Illinois University said today in a year-end review of SIU's progress in this section of the state.

"Additional classrooms for the crowded university centers in Alton (1847 students) and East St. Louis (enrollment 1377) were provided on a stop-gap basis by moving most of the administrative offices off campus into former residences and factories in the vicinity and others into former homes on the university's new campus south of Edwardsville," the spokesman related.

"Almost 1400 acres of land were purchased during 1959 for the new Southwestern Illinois campus, with funds contributed by 60,000 persons of the area."

"For construction of classrooms and other capital improvements on the new campus within the next few years, the state is earmarking 25 million dollars of a 195 million dollar bond issue was increased by 47.7 percent in November 1959."

STAFF INCREASED 47 PERCENT

"To help maintain a high level of instruction at the university centers in Alton and East St. Louis, pending the construction of classrooms on the new campus, the full-time professional staff there was increased by 47.7 percent in November 1959 to provide for new

TELEVIEWED CLASSES

"With the help of a Ford Foundation grant, it also televiewed daily classes in speech and sociology."

"Working with committees from local industries, the university offered technical and industrial management program in the Alton, East St. Louis and Granite City areas which enrolled more than 1000 persons during the year."

"SIU, in cooperation with Washington and St. Louis University, in November sponsored the establishment of a pilot committee to catalog and evaluate the accomplishments and needs of organizations for business development."

4 Local Pupils Chosen For State Music Event

Four Quad-City students will be among the state's most talented junior and senior high school musicians at the 20th annual Illinois All-State Music Activity.

Names of those selected were announced today by Prof. Paul Painter, director of music extension in the U. of I. Division of University Extension, who also announced a roster of eight distinguished conductors who will direct the various vocal and instrumental groups. Leading these is G. Cliff Baimun, music director of bands at Northwestern University, who will be guest conductor in a concert of senior groups Feb. 6.

Largest unit in the 1960 program will be the senior high school chorus of 948 members, biggest chorus of high school voices ever assembled in Illinois. Others will be the senior band, 225 members; junior band, 189; senior orchestra, 186; junior orchestra, 144; and junior chorus, 332. Even with these rosters, some youngsters had to be disappointed. A total of 3,223 applied for the 2024 places.

The activity, conducted by the U. of I. Division of University Extension and School of Music, is scheduled in the vacation hotel between fall and spring semesters at the University. In this way, visiting youngsters can live on campus in the university's student residence halls.

Intensive rehearsals for junior organizations will begin Feb. 4, and will be climaxed by an evening concert Feb. 5. Senior groups will start rehearsals Feb. 5 and present a final concert on the afternoon of Feb. 6. Both programs will be in Huff Gym and will be open to the public without charge.

Local pupils selected are Michael Lopez and Ronnie Wyatt, both of Venice, for the senior chorus; Freyrie Arbellier of Granite City high school, for the senior band; and Paul Bravoy of Madison high school, for the senior band.

GC Soldier In Germany Gives Aid To Orphans

Armed Pvt. Gilbert E. Pounds of Granite City and other members of the Seventh Army Air Reconnaissance Support Company, helped make Christmas brighter this year for the children of an orphanage in Kaiserslautern, Germany.

Members of the company contributed more than one hundred dollars to provide a party for the children.

Pounds, whose wife, Wanda, lives at 3133 Aubrey avenue, is assigned to the company in Kaiserslautern. He arrived overseas in May 1958.

The 27-year-old soldier, son of the Rev. and Mrs. Earl L. Pounds, St. Ann, Mo., was employed by Emerson Electric Co. of St. Louis, before entering the Army.

Working Teenagers Aided State's Welfare Program

Teenage school children working during their 1959 vacation made it possible for 104 families to become independent of public aid.

Peter W. Cahill, executive secretary, reported to members of the Illinois Public Aid Commission last week that 1051 children who worked during June, July and August earned enough money for their families to be removed from public aid.

Through the combined efforts of county departments of public aid, county welfare services committees and the children themselves, \$113,263.91 was earned.

Average salary of full-time professors in the United States is \$8,875 a year.

216 Paralytic Polio Cases in State Last Year
"Many deaths and crippling cases have resulted from this year's poliomyelitis epidemics, some of which could have been avoided," according to a report submitted to Gov. William G. Strickland by R. C. Richardson, acting director of the Illinois Public Health Department.

To mid-December, 216 cases of paralytic polio were reported last year in the state. Of these victims, 152 had no vaccine; 23 had one shot; 11 had two shots; 21 had three shots; and three had four shots. In six cases the vaccine status was unknown.

"Now is the time to think of what may be done before next summer's polio season hits," Richardson said. "Only those persons who protect themselves and their families by complete vaccination can have peace of mind when polio strikes again."

surveys and possible delays in delivery of critical materials were cited.

The state will continue construction of a system of multi-laned divided highways, including full control of access, as portions of the interstate system. The estimated cost in 1960 is \$117,600,000.

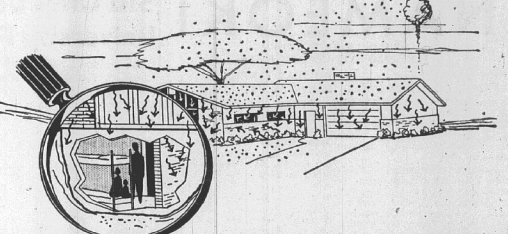

In addition, there will be improvements totaling \$83,800,000 on other state highways, including work on 675 miles of surface right-of-way acquisition on 998 miles and building or widening of 124 bridges.

Totals for District Eight are \$15,999,000 for interstate highways and \$11,598,000 for non-interstate roads.

Among the larger interstate system projects in the 1960 program are further construction on Interstate Route 70 between the East St. Louis Veterans Memorial Bridge and U. S. 66 west of Troy. The interstate projects include 72 miles of construction, 270 miles of right-of-way and 121 new bridges.

Keep your face headed toward the sun and the shadow will always fall behind you.

HOW FALLOUT shelters would protect occupants after nuclear attack is shown in this drawing of a modern American home. Fallout—mostly tiny particles of matter charged with radioactivity—is carried downwind from a nuclear blast, and settles on the roof and grounds. From these fallout particles, radiation rays (arrow-like figures) shoot out which can penetrate most substances. Enough rays can cause radiation sickness to people without their defense offices, or from Box Shelters, OGDAs, Battle Creek, Michigan.

But the materials of a fallout shelter are dense enough to absorb most radiation and prevent it from reaching the occupants. The Office of Civil and Defense Mobilization has to remind Americans that millions might be saved after a nuclear attack by such relatively simple precautions. A booklet on building fallout shelters is available through civil defense offices, or from Box Shelters, OGDAs, Battle Creek, Michigan.

MORE ABOUT
Tax Protest
Hearing
(Continued from Page 1)

ation which resulted in the start of a hearing before Judge Clark.

A tentative procedural method was agreed upon, but tomorrow's hearing is expected to outline the method to be used for reaching a settlement. It was reported last Wednesday night that a settlement figure was proposed by Granite City Steel Co. representatives, but the amount was not disclosed.

Salvage State Aid
Through reaching an assessment agreement, the school district would be able to salvage some of its income loss through additional state financial aid for which it would be eligible through reduction in the district's total assessed valuation. Under the objections, both assessment and tax rate, filed by the steel company, the school district would stand to lose \$193,736 of its 1958 tax income for operation during its 1959-60 fiscal year, while the city would lose \$170,366, with a large portion due to tax rate protests.

Granite City Steel Co. originally was assessed at \$54,000,000 for 1958, but that figure was reduced by about \$14,000,000 by the board of review after tax bills had already been distributed in Granite City. The firm's assessment for the 1959 tax year has been set at \$37,500,000.

The following items were taken from the files of the Granite City Press-Record

Thursday, Jan. 3, 1885

Fire losses in Granite City and Madison for the year 1884 aggregated \$22,848, or only \$200 more than in the previous year. Last year the loss in Granite City amounted to \$13,928 with insurance paid on \$10,763 of this amount. The department answered 102 alarms with ten being false. Losses in Madison totaled \$18,920 from 52 alarms, five false ones.

Along with other encouraging business reports in this city for 1884, the postoffice showed a gain of 17.7% over the preceding year and receipts were greater than in any year since 1880.

Reopening of the Commercial Division of the General Steel Castings Corp., one of the important industrial enterprises of the year just ended, together with an upswing in most other local businesses were believed by the postmaster to have been responsible for the increase in postal revenue.

Five churches in this city will jointly observe National Prayer Week at the First Baptist Church beginning next Monday evening, Jan. 5, it was announced by Dr. Michael, president of the Ministerial Alliance.

Newly elected officers of the Tri-City B'nai B'rith Lodge and its auxiliary will be installed at a joint ceremony next Wednesday at Fishman's Hall. H. Epstein is president, and J. L. Wiseman, vice-president, L. Marx, secretary, Charles Stein, treasurer, Dr. H. Epstein, monitor, S. L. Silberstein, assistant monitor, and Harry Lillian, warden.

Brand new car prices for the 1935 models start at \$485 for a five-window coupe and \$500 for a deluxe roadster with rumble seat to \$650 for a four-door touring sedan. Luxury cars are priced at \$1000 and up.

A group of firemen in Granite City, Madison and Venice gave a New Year's Eve party at the Fishman Hall in this city, entertaining city officials and friends. There were 29 couples present. Firemen who sponsored the party were chief James Marsh, Curtis Donley, Percy Daugherty, William Hillman of Granite City; Chief Fred Boyle and L. W. Ashlock of Madison and Assistant Chief Fred Craycraft of Venice.

During the year just closed, nearly 25% of the automobiles stolen here were recovered, according to police records. There were 42 cars stolen and 39 recovered.

The Prosem club met last night at the YMCA and held its annual election of officers. New officers are Miss Mabel Steiner, president; Miss Virginia Arbogast, vice-president; Miss Evelyn Cunningham, secretary; Miss Frances Green, treasurer. Plans were made for organizing an art class and for initiating the following new members at the next regular meeting; Mrs. Ralph

Proharity, Miss Mabel Tedder and Mrs. Elmer Hill. The lesson was given by Miss Dorothy West.

Mr. and Mrs. Jesse Gibbs of Hampton street entertained with a New Year's Eve party at their home. Mr. and Mrs. Jack Rogan, Mr. and Mrs. Charles McMahon, Mr. and Mrs. Walter Fitzgerald, Mr. and Mrs. Walter Caton, Mrs. Fred Clark and Mr. and Mrs. Thistle. Pinocle and euchre were played and prizes were won by Mrs. Fitzgerald, Charles McMahon and Mrs. Leslie Caton. Mrs. Fitzgerald was surprised during the party with a handsome silver service, honoring her birthday.

One of the loveliest of the New Year's Eve parties was that given by the Phalanx Fraternity in the home of Lee Harlan Jr. of Madison. The rooms were prettily decorated in the season's color scheme and consisting of high school, the gaily dancing and games were the diversions of the evening. Contest prizes going to Miss Elsie Siebold, Vernon Summer, and Miss Elsie Barr. Couples were present and at a late hour a delicious luncheon was served by the hostess, Mrs. Harlan, his aunt, Mrs. Bell Deffenbaugh and Mrs. R. J. Hill. At the party were Miss Elsie Siebold, Genevieve Eljan, Louis Graves, Betty Niedringhaus, Alice Vogler, Mary Lee LaFosse, George Chapman, Georgia Osborn, Mary Lou Cunningham, Marie Anderson, and Dorothy Niedringhaus. Ray Stanley, Roger Studer, Baker, Jerry Walters, Bud Niedringhaus, Vernon Summer, Gardner, Joe Sharf, Joseph Brader, Roy Egeditch and William Lucide of Granite City; Miss Elsie Barr, Mary Lee LaFosse and Marguerite Polette, Roy J. Hill Jr., Paul Connelley, Charles R. Rouse and Lee Harlan Jr. of Madison.

The Congregational Pinocle club met Wednesday afternoon with Mrs. Julius Hoehner of Pershing avenue. Two of the members were absent and their places were filled by Mrs. Ray Williams and Miss Peggy Fisher. Others present were Mrs. L. J. Whaling, Mrs. Eddie Schramm, Mrs. Fred Elman, Mrs. Wilbur Knowles and Mrs. F. L. Hudnall.

The ABC club met Wednesday afternoon in the home of Mrs. Elsie Siebold. Ladies present were Mrs. Eva Fletcher, Mrs. Florence Wiegner, Mrs. F. G. Marx, Mrs. M. Butler, Mrs. George Murray, Mrs. E. Pippin, and one guest, Mrs. L. Owens.

Play in the Madison-St. Clair Athletic Association will be resumed Friday night when six of the conference teams go into action. Granite City will travel to East St. Louis for a tilt at Lane down gym, Madison will entertain Belleville, and Wood River will travel to Collinsville. In the new circuit, East St. Louis, Collinsville and Wood River have each won one game, while Alton, Ma-W, Collins, and Belleville have each lost all league teams have played one game except Granite City and the Warriors will open their schedule tomorrow night.

Thomas Kelso, a top junior at Community high school and president of his class, has been chosen president of the student council by an overwhelming vote. At a later election a vice-president will be chosen.

Car Flips Over As Brakes Lock At 60 MPH

A 1930 auto driven by Donald W. Paschedag, 21, of 448 Division street, rolled over on its side in the 2600 block of Ponton road Thursday afternoon when the brakes locked as Paschedag attempted to stop to avoid a collision with a truck making a left turn into the driveway.

Police said Paschedag, who escaped injury, told them he was traveling about 60 miles an hour and was attempting to pass a line of westbound cars when he slammed on his brakes at a westbound truck made the left turn.

His car, also traveling west, swerved off and on the left side of the pavement several times before the brakes locked and it went out of control. Finally, it swerved across the roadway and overturned on its left side, a distance of 342 feet from the point where the brakes locked.

GC Junior High Alignment, Curriculum Will Be Revised

Curriculum studies here and at the state level will result in a revised junior high school program next fall in the Granite City school district.

Pitting in with the revision will be the opening of the new West 25th street junior high school and transfer of Principal Walter Klein and part of the Central junior high faculty to the new building.

Instead of all seventh graders being at Central and all eighth and ninth grade students attending Coolidge junior high school, the lineup will be as follows:

Coolidge—seventh, eighth and ninth grades; West 25th street—seventh, eighth and ninth grades; Central—seventh grade.

Closer To 6-3-3 Plan

Opening of the new building will bring the district closer to full realization of the 6-3-3 program launched with opening of the Coolidge school in the mid-1930's.

The 6-3-3 plan consists of six elementary grades, three junior high school grades and three senior high school grades. Frequent, the district had a 6-2-4 program, with four years of high school and the seventh and eighth grades at Central.

Since Coolidge was not large enough to handle all seventh, eighth and ninth grades, a large Central's shops and other facilities comparable to that at Coolidge.

Major junior high curriculum change planned for the 1930-31 school year involves the seventh and eighth grades social studies and English instruction.

Part of the reasoning behind the 6-3-3 educational plan is that there should be a more gradual transition between the elementary grades and the high school level.

In the grade schools, pupils generally remain with one teacher throughout the day, receiving a variety of instruction from the same faculty member.

At the high school, instruction is departmentalized and each teacher is a specialist in one of two fields. Thus, high school students go from class to class and from teacher to teacher throughout the day.

The junior high school is regarded as a logical place for students to gradually leave their grade school experiences and prepare for the fast pace at high school.

Partial Home Room

Granite City junior high plans for next September involve the same teacher instructing English to seventh and eighth graders in an extended period of at least two hours. This long session each day will provide a partial "home room" in which guidance counseling also can be conducted. The same teacher will give both English and social studies lessons.

At part of their "stepping stone" between elementary and high school education, junior high students will attend shorter classes in different rooms during the remainder of each school day. These will include such subjects as mathematics, science, music, art and vocational shops.

Dr. Harold M. Kaiser, superintendent, and Russell D. Johnson, assistant superintendent, have discussed the plans with the junior high curriculum director in the office of State Superintendent Wilkins.

Change Necessary

To some extent, the present Central and Coolidge curriculum arrangements have been permitted to continue only because of the overcrowded conditions, it was learned. With the new junior high built, changes will be necessary.

The two administrators have conferred with Principal Klein and with Ralph E. Proharity, principal of Coolidge junior high school, on the 1930-31 plans.

Teachers also will be brought into the conferences as the planning develops.

"In general, our junior high school needs include extending foreign languages below the ninth grade, providing more counseling services and expanding the elective subjects, such as mathematics, science, languages, speech and remedial reading," Supt. Kaiser says.

Noting the junior high construction and the additions currently being built at Granite City High school, the superintendent feels that "we will have excellent facilities for improving the curriculum at both the junior and senior high school levels."

Boys and girls 12 to 14, in particular, are in the most formative years of their educational development. If they make a good adjustment here, they will continue to have good study habits. If they do not adjust, we start getting droouts.

"In our program to develop each child to his maximum ability, the junior high school plays a vital part."

MISSING TOPCOAT, KEYS RETURNED TO OWNER

A topcoat and car keys, stolen from an auto parked in the 800 block of Niedringhaus avenue Friday night, were returned to the owner's home within 15 minutes after the theft had been reported to Granite City police at 9:30 p.m.

The theft was reported by Tony Petrillo, 1628 Olive street, who told police the \$70 coat and keys were brought to his home about 8:45 p.m. by a young boy who said he had found them in the entranceway at a nearby apartment.

AUTO BACKS INTO POST

An auto being backed on the Park N' Eat lot at Niedringhaus and Madison avenues struck one of the drive-in restaurant speaker posts and stands. Police said the driver was Thelma J. Singleton, 33, of 2528 Grand avenue, and that there was damage to the right side of her car and to the stand.

CHARGED WITH SPEEDING

Daniel E. Brown, 31, of 1828 Spring avenue, was arrested Thursday by Granite City police at 24th and State streets on a charge of speeding. He posted his driver's license as bond.

and no play makes Jane a dull mother

LADY, GET MORE TIME FOR THE BETTER THINGS OF LIFE!

...with modern, automatic electric appliances

Modern mothers have plenty of demands on their time without sacrificing themselves to household drudgery. Why not let electricity do the drudgery... leave mother free to use her very special skills in being a real companion to her family and creating a happy home.

One of electricity's greatest boons is an all-electric laundry. Homemakers with an electric washer and dryer find the old idea of a dreary washday soon vanishes. Instead "washday" can be anytime... any day or night. A few minutes sorting clothes and popping them into the washer... a few more minutes transferring them to the dryer and the job is done. Clothes come out fluffy and sunshine-fragrant. And mother's energy is spared for her real job—that of being a mother.

PRAYER SERVICE

Prayer service and a watch party were held New Year's Eve at the Temple Baptist Church. The Training Union sponsored the event. The program started with a prayer service under the leadership of Rev. Paul Washburn, pastor.

Favorite hymns were sung, and favorite Scripture verses were quoted. A prayer of thanksgiving closed the devotional after which Mrs. A. E. Dunn started a game involving members on the church, missions and various church activities.

Mrs. Washburn directed songs and games, and the program closed with a box supper. Approximately 40 members were present and took part.

WATCH PARTY

A watch party was held New Year's Eve at the home of Mr. and Mrs. Robert Ely, 2130 Collinsville avenue. Those present were Betty Lybarger of Collinsville, Jerry Graklanoff, Kathy Baggett, Fred Bright, Sharon Nicholas, Tony Hoover, Hec Sadler, Pat Roberts, Tina Signatig, John Hastings, Jack Williams, Bob Ely and Mr. and Mrs. Ely and daughters, Tina and Linda.

Dancing and listening to records filled the evening, and an electric guitar was played by Sadler. Lunch was served.

Rev. and Mrs. E. R. Collier and daughters, Nancy and Karen, of Blue Bond, Ill., were visitors at the home of Mrs. Collier's parents, Rev. and Mrs. Kenneth McDaniel, 1665 Fifth street, over the New Year's holiday. They arrived in time to attend watch services and a social evening at the First Baptist Church.

Two ladies' trios sang at the services, as did a men's quartet. A film was shown, after which a social time was enjoyed by approximately 75 members and guests of the church. Pie, cake, sandwiches and coffee were served.

Mr. and Mrs. Elmer Vogeli and daughter, Ellen Fay, and Mrs. Fay Little entertained, as dinner guests in their home New Year's Day Mrs. Rose Oloff of St. Louis and Mr. and Mrs. Elmer Vogeli sr. of Collinsville.

No Damage At Three Fires In Granite City

Granite City firemen answered three calls Saturday afternoon and evening. No damage was listed at any of the fires.

The department went to an empty house in the 1900 block of Omaha street at 12:10 p.m. Saturday to put out a blaze in the basement.

Burning rubbish in the back of a street department truck resulted in a call to the city garage at 19th and Benton streets at 3:10 p.m. Saturday, and weeds caught fire in an old cemetery adjacent to Charles street, near Kirkpatrick Homes, at 5:35 p.m. Saturday.

Brother Of John Wilson Of FC Dies Friday

Malcolm H. Wilson, 51, of Ferguson, Mo., vice-president of the Biltmore Moving and Storage Co., St. Louis, died in his sleep at 10:30 p.m. Friday at home. He had been suffering from a heart condition.

He is the brother of John W. Wilson, 2537 Lynch avenue, who is manager of the local Biltmore company. Other survivors include his wife, Mrs. Wanda Wilson, four sons, a daughter, three sisters and five grandchildren.

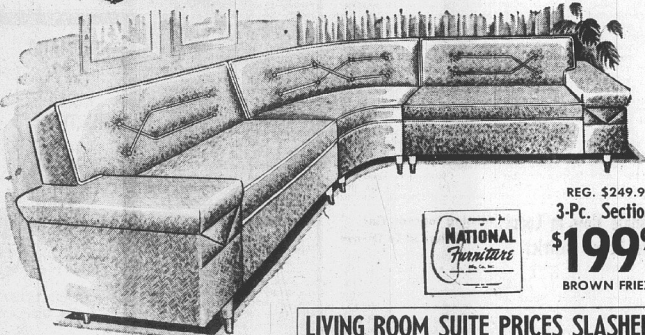

Services were held today at 2 p.m. from a Ferguson funeral home with interment in Memorial Park Cemetery there.

Disturbance Charge

Luther Atkins, 26, St. Louis, was arrested for peace disturbance at 10 p.m. Thursday at the K. Bar tavern in Venice. Posting \$15 bail, he was released until a hearing tonight.
